Somewhere in France

Dear Mother & Folks

Still going strong over here. Mail at last has been really coming in. Got 3 from Mother & 2 from Marion & 1 from Dot & El.

Guess you got my old address mixed up a little. Even one who returns back over here goes through a certain Depot & has that address. Bill Ellis probably had the same address but it didn't mean that I was near him.

Three years ago today those Japs attacked Pearl Harbor. Never thought then that three years later I would be having it out with these Germans. I am enclosing a 1.00 or more money order. Please put it in the bank for me. Please send some candy & gum if you can get ahold of any. Have about 10 packages on the way, but if I miss one more wouldn't hurt. Never received that Brownie of mine but still have my eye on the look out for it.

It is getting real dark now so I must close because I can't see what I am writing. Will write soon

Love to All

"Dick"
